

ESTEBAN ANDRADE

UX / Product Designer

isaiaandrade7.ea@gmail.com · (+593) 983848255 · linkedin.com/in/estebandrade13 · behance.net/esteban13 · English: Upper-Intermediate

PROFILE

UX/Product Designer with a strong visual foundation, focused on building user-centered digital experiences through research, user flows, and iterative design. Experienced in aligning design decisions with business goals and collaborating across teams to deliver intuitive products. Applies AI tools and no-code automation to improve operational efficiency and support data-informed decisions.

EXPERIENCE

PW Digital — UX & UI Designer

Dec. 2025 – Present · Quito, Ecuador

- Designed user flows and conversion-focused experiences aligned with marketing campaigns.
- Collaborated with marketing teams to map customer journeys and optimize key touchpoints.
- Automated a 3-step manual lead workflow (download, data entry, daily report) saving the team 1–2 hours per week using Make and a real-time Google Sheets dashboard.
- Designed a B2B landing page on Webflow that generated 75 qualified leads in 7 days from cold Facebook Ads traffic.

Tools: Figma, Make, Google Sheets, Airtable, Webflow

PW Digital — UI Designer

Oct. 2025 – Dec. 2025 · Ecuador

- Designed user interfaces for web and mobile with strong visual hierarchy and usability principles.
- Improved user flows and interface clarity to increase trust and ease of use.
- Created responsive layouts aligned with brand guidelines and accessibility standards.

Tools: Figma, Illustrator, Photoshop

Authority — Graphic & UI Designer

Feb. 2025 – Oct. 2025

- Designed wireframes and interactive prototypes to communicate UX concepts to stakeholders.
- Improved usability and interface clarity through systematic component design.
- Maintained visual consistency and design standards across digital platforms.

Tools: Figma, Illustrator, Photoshop

Universidad Andina Simón Bolívar — Graphic Designer (Internship)

May 2024 – Dec. 2024

- Created institutional visuals and event materials that strengthened brand identity.
- Produced high-quality assets for digital and print media with visual consistency.

VSinnova — Graphic Designer (Internship)

Jul. 2023 – Nov. 2023

- Designed digital graphics that increased social media engagement for health and tech brands.
- Ensured brand consistency across multiple digital platforms.

Freelance — UX & Visual Designer

2021 – Present

- Managed design projects end-to-end from discovery to delivery.
 - Developed UI prototypes, branding systems, and visual identities for diverse clients.
-

FEATURED PROJECTS

GoNow — Urban Mobility App · behance.net/gallery/216556661

UX/UI Design · Mobile App · Public Transit · Quito, Ecuador

- Designed a mobile app to simplify public transit in Quito: route planning, real-time info, digital payments, and an integrated SOS safety feature.
- Mapped user pain points (route uncertainty, manual payments, safety concerns) and translated them into a unified digital platform that reduces cognitive load for urban passengers.

Pipeline Automation — Lead Workflow Automation

Ops · Make · Google Sheets · Dashboard

- Replaced 3 manual steps (download, data entry, daily report) with one automated pipeline: Facebook Ads → Make → Google Sheets → real-time dashboard.
- Result: 1–2 hours saved per day, zero data entry errors, real-time visibility for the sales team.

Conversion Landing — B2B Lead Generation Page

Webflow · Conversion Design · Facebook Ads · B2B

- Designed a high-conversion landing page using 5 strategic decisions: exit-intent popup, budget pricing tiers, pain-first copy, metric-based social proof, and believable scarcity.
- Result: 75 qualified leads in 7 days from cold Facebook Ads traffic, no additional ad spend.

YouTube Music Redesign — Speculative UX Concept

UX Research · Interaction Design · Speculative Redesign

- Identified 3 critical UX gaps (buried navigation, inaccessible lyrics, hidden queue) and designed solutions that surface existing content rather than adding new features.

EDUCATION

Universidad de Palermo — B.S. Design & Communication Business

2025 – Present

Instituto Metropolitano de Diseño — Tech. Multimedia Design & Audiovisual Production

2021 – 2025
